TelaDocTMCare

Convenient Doctor Access

Quick, inexpensive, round-the-clock access to care when you are unable to see your physician

Telephone consultations with a TelaDoc physician for:

- Treatment of common illnesses such as sinus infections, allergies, bronchitis, urinary tract infections, strep throat and pink eye
- Prescription, when appropriate, phoned into your local pharmacy, saving you time and money. (No DEA controlled substances)

Beneficial with or without insurance!

Telephone Medical Consults

TelaDoc provides telephone consults with licensed physicians for a \$35 consultation fee. The physician will treat with a prescription if necessary.

Through TelaDoc you can:

- » Access a national network of state-licensed, primary care physicians 24 hours a day, 7 days a week
- » Speak with board eligible certified physicians that specialize in telemedicine
- » Receive fast answers to medical questions and medical treatment, often within an hour but FREE if more than 3 hours
- » Have prescriptions phoned into your local pharmacy (exclusive of DEA controlled prescriptions)
- » Use telephone medical consults to avoid unnecessary trips to a doctor, walk-in clinic, or emergency room
- » Pay only \$35 per consultation

Discount RX Card

The discount prescription drug card is included with your TelaDoc membership at no additional cost.

Benefits include:

- » National network of over 50,000 pharmacies, including most chains
- » Save up to 75% on all prescription drugs
- » No health questions or age limits
- » For best savings always ask for a generic equivalent
- » Covers individuals and families
- » Toll-free customer support, **call 800.835.2362**

TelaDoc Service

» How do I request a physician consultation?

After enrolling as a member, call **1.800.TELADOC** at any time and a representative will assist you.

» Can members get prescriptions filled from TelaDoc physicians?

Yes. Prescriptions can be phoned in to any pharmacy anywhere members happen to be!

TelaDoc can refill most prescriptions if they are already noted in the patient's medical history. However, TelaDoc physicians do not write prescriptions for DEA controlled substances. (Prescriptions are not guaranteed).

» Can TelaDoc resolve my medical problems?

In over 90% of cases, the TelaDoc member's medical problems are handled to the member's satisfaction.

Discount RX Card

» How does the discount pharmacy program work?

Upon enrolling you are issued a discount card. When a physician prescribes you medication, present your drug card to your local pharmacist. The discounted price will be calculated immediately.

» How much can I save?

As a member, you will receive all of your prescription drugs at the lowest price. The amount of savings will vary based on the type of prescription. Last year, members saved as much as 75%.

» Which drugs are covered?

All legend prescription drugs are covered. A legend drug is a medication that must be dispensed by a pharmacist.
